

FHSA 2022 Annual Conference & Expo Schedule

| | |
|--|--|
| Day 1 – Wednesday | March 2, 2022 |
| Time | |
| 10:00 A.M. – 11:30 A.M. | Volunteer Orientation Universal Office |
| 12:00 P.M. – 5:00 P.M. | Conference Registration Center Open Universal Center Registration |
| 1:00 P.M. – 2:30 P.M. | <p style="text-align: center;">Specialized Track</p> <p>Give your Employees C.R.A.P... the Success Formula for Building Employee Loyalty, <i>Jeff Kortez, Employee Retention Speaker</i></p> <p>Have you ever wondered why some bosses and organizations have people who are incredibly loyal to them and who will do anything for them while others have a revolving door of employee turnover? The bosses and organizations people want to emulate provide their employees lots of C.R.A.P.! (Caring, Respect, Appreciation, and Praise).</p> <p>Jeff delivers a "headhunter's" insight into why some employees are loyal and others work only to get a paycheck. Through real-life stories and interactive participation, Jeff has created a program that helps participants understand how to demonstrate Caring, Respect, Appreciation, and Praise to systematically build employee loyalty in your organization. This session will provide participants with realistic takeaways that will build employee loyalty.</p> |
| Suggested Audience | Intended for ALL audiences |
| Session Content Level | Introductory (0-3 years' experience) & Advanced (4+ years' of experience) |
| Location | Space Coast I/II/III |
| 2:30 P.M. – 3:45 P.M. | Concurrent Education Tracks |
|  <p style="text-align: center;">Family, School & Community</p> | <p>Empowering All Families!, <i>Dr. Jenny Sanchez, Quality and Education Coaching Specialist, and Raina Sajous, Quality and Education Coaching Specialist, Early Learning Coalition of Broward</i></p> <p>Need some motivation and empowerment on creating a welcoming environment to enhance and support effective parent engagement? Then this session is for YOU!. Early Childhood professionals must identify and remove barriers to equity and ensure inclusive practices. Children benefit greatly from programs that embrace their culture, promote children's confidence, self-awareness, cultural identity, family pride, and positive social identities. In this session, attendees will learn how to empower parents to become leaders by involving them in school decision-making and learn essential skills to incorporate into personal and professional lives.</p> |
| Suggested Audience | Administrators, Direct Service Providers, Directors, Family Support, Teachers: New, Teachers: Experienced, Training & Technical Staff |
| Session Content Level | Advanced (4+ years' of experience) |
| Location | Gold Coast I/II |

FHSA 2022 Annual Conference & Expo Schedule

| | |
|--|---|
|  Family, School & Community | <p>Grandparents Raising Grandchildren-Deep Dive into the Lived Experience: Critical role of Grandparents in Child Development and School Readiness, <i>Larry Cooper, Chief of Prevention and Intervention Services, and Maritza Vazquez, Emotional Support Specialist, Children's Home Network</i></p> <p>This interactive session will allow participants to learn and explore intergenerational strategies to help grandchildren raised by grandparents. Maritza Vazquez, a grandparent, and Head Start Participant, will share her experiences and strategies to engage families facing challenges and barriers to promote early learning, improve child and family well-being. Participants will learn about the KIN-TECH program and how to partner with Kinship Navigator and child welfare programs in Florida.</p> |
| Suggested Audience | Administrators, Direct Service Providers, Directors, Family Support, Teachers: New, Teachers: Experienced |
| Session Content Level | Introductory (0-3 years' experience) |
| Location | Gold Coast I/II |
|  Ongoing Care & Well-Being | <p>Empowering Change Beyond the Classroom Walls, <i>Beth Dingee, Training Specialist, Healthy Families Florida</i></p> <p>This session will provide participants with a safe, engaging opportunity to enhance their communication skills in a society that, now more than ever, is desperate to be seen and heard. As staff finds themselves in challenging conversations with families, it can be difficult to know the "right" things to say to encourage a more profound discussion while facilitating change. This session will embrace guided breakout groups to apply the material and explore/navigate obstacles that arise.</p> |
| Suggested Audience | Administrators, Direct Service Providers, Directors, Family Support, Teachers: New, Teachers: Experienced, Training & Technical Staff |
| Session Content Level | Introductory (0-3 years' experience) & Advanced (4+ years' of experience) |

FHSA 2022 Annual Conference & Expo Schedule

| | |
|--|--|
| 7:30 A.M. – 4:30 P.M. | Conference Registration Center Open Universal Center Registration |
| 8:00 A.M. – 9:30 A.M. | <p style="text-align: center;">Opening General Session & Keynote Speaker: Jonathan Edison Universal B</p> <p>How to go from Survival Mode to Beast Mode, <i>Jonathan Edison, Edison Speaks International</i></p> <p>As a former Head Start student, Jonathon Survival Mode is the inability to see yourself in the future because life is crashing down around you at the moment! The critical source of competitive advantage is how well a Head Start organization and its employees manage the stress of being overwhelmed, dealing with challenges, and overcoming obstacles. Understanding that working within Head Start is hugely stressful, the challenge lies in knowing how to get a breakthrough and master your emotions. During this presentation, Jonathan provides valuable insights and effective strategies for strategically dealing with challenges and finding the love and passion in what you do!</p> |
| 9:45 A.M. – 11:00 A.M. | Concurrent Educational Sessions |
|  Curriculum Instruction & Inclusion | <p>The Power of Connection: Improving Communication to Create Impact, <i>Laura Delgado, VP Curriculum and Professional Development, Learning Beyond Paper</i></p> <p>Effective communication is the key to the success of any organization, classroom, and building relationships with peers, families, and children. To effectively communicate with others, we must first understand their different communication styles, perceptions, and needs and navigate through their differences. In this session, attendees will participate in small and large groups to explore communication pitfalls, barriers and overcome these challenges. This interactive session will allow collaboration and networking while strengthening communication skills.</p> |
| Suggested Audience | Administrators, Direct Service Providers, Directors, Training & Technical Staff |
| Session Content Level | Introductory (0-3 years' experience) & Advanced (4+ years' of experience) |
| Location | Universal C |
|  | <p>I Did Not Sign Up For This! Changing the Mindset of Including Children With Disabilities, <i>Adrienne Devaney, Lead Inclusion Specialist, and Elizabeth Glaid, Early Head Start Specialist, Broward County Public Schools</i></p> <p>In this session, participants will understand inclusion in a general education setting. Various inclusive strategies will be shared and discussed while allowing time to practice their newly acquired skills. Participants will learn fun, engaging, and innovative ideas to include all their students of varying abilities in their classroom setting.</p> |

| Suggested Audience | Teachers: New, Teachers: Experienced |
| Session Content Level | Introductory (0-3 years' experience) & Advanced (4+ years' of experience) |
| Location | Universal F |
| 9:45 A.M. – 11:00 A.M. | March 3, 2022 |
|  <p>Social Equity & Innovation</p> | <p>Understanding Implicit Biases: Do We Really Have Them?, <i>Ron Mohl, Lead Educational Presenter, Lakeshore Learning Materials</i></p> <p>We all have different experiences with many people, which shape our view of the world. In this training, we will take some time to look at our diverse backgrounds and how our biases may affect our behavior and interactions with others. During this session, we will engage in activities that require self-reflection and discussion on our behaviors and biases to select appropriate strategies when needed.</p> |
| Suggested Audience | Administrators, Direct Service Providers, Directors, Training & Technical Staff, Teachers |
| Session Content Level | Introductory (0-3 years' experience) & Advanced (4+ years' of experience) |
| Location | Universal D |
|  <p>Family, School & Community</p> | <p>Empowering Change Beyond the Classroom Walls, <i>Robin Hart, Master Trainer, Healthy Families Florida</i></p> <p>Clear and concise communication between school and home is critical for early learners' success. The trainer will guide educators and administrators through motivational interviewing techniques to support meaningful engagement with parents, caregivers, students, and other professionals. The methods discussed will empower educators to explore and encourage change from within the home or family unit to ensure positive outcomes in school settings through parent teach partnerships.</p> |
| Suggested Audience | Administrators, Direct Service Providers, Directors, Family Support, Teachers: New, Teachers: Experienced |
| Session Content Level | Introductory (0-3 years' experience), Advanced (4+ years' of experience) |
| Location | Gold Coast I/II |
|  | <p>ACEs and Trauma in the Early Years, <i>Christine R. Hughes, PhD, IMH-E, Infant Mental Health Mentor-IV Policy, Florida Association for Infant Mental Health</i></p> <p>This session will introduce the Pair of ACEs, including the 10 Adverse Childhood Experiences and the Adverse Community Environments. Their impact on the developing brain in the first few years of life, the physical and mental health of infants & young children throughout the lifespan, and how nurturing relationships can protect against the negative impact of ACEs will be discussed.</p> |

FHSA 2022 Annual Conference & Expo Schedule

| | |
|--|---|
| Day 2 – Thursday 4:00 P.M. – 5:15 P.M. | March 3, 2022 |
|  Curriculum Instruction & Inclusion | <p>Fixer Upper-Infant Toddler Rooms with a View, <i>Natalie Jackson, Early Head Start Program Director, Children's Home Society of Florida</i></p> <p>Challenging infant-toddler teachers to critique spaces created for the planet's busiest, most curious, sensory-driven beings is critical to early educators. Creating authentic, respectful spaces for infants and toddlers requires design ideas and strategies that don't always come in a catalog. This session will help rethink how environments REALLY meet the needs of a toddler and create an intentional approach to moving past primary color-plastic-commercialized overload.</p> |
| Suggested Audience | Directors, Center Director, Curriculum Director, Teachers: New, Teachers: Experienced |
| Session Content Level | Introductory (0-3 years' experience), Advanced (4+ years' of experience) |
| Location | Universal C |
|  Curriculum Instruction & Inclusion | <p>Social & Emotional Learning of Young Children, <i>Dr. Michael Hubler, EC-LEARN</i></p> <p>Social & Emotional Learning (SEL) is key to early childhood preparedness for school and is a significant part of effective teaching practices within the Head Start Early Learning Framework. Learn how to implement early childhood social and emotional best practices for the classroom through songs, games, role modeling, dramatic play, positive reinforcement, and other activities. Participants will also learn emotions from A-Z in sign. This session will detail researched best practices for social and emotional instruction and strategies for their implementation for young children's teachers, parents, and specialists.</p> |
| Suggested Audience | Administrators, Direct Service Providers, Directors, Family Support, Teachers: New, Teachers: Experienced, Training & Technical Staff |
| Session Content Level | Introductory (0-3 years' experience), Advanced (4+ years' of experience) |
| Location | Universal F |
|  Social Equity & Innovation | <p>Every Interaction Counts: Building Inclusive Practices through Early Talk, <i>Brittaney Robinson, Regional Lead of Early Childhood Partnerships, LENA</i></p> <p>Recent research reveals that more than 1/3 of children experience little to no interactions per hour with a caregiver for the vast majority of their day. Ensuring that all children participate in high-quality interactions throughout their day is critical to addressing barriers to equity, access, and excellence. This session will share an innovative approach to identifying bias issues in child care settings and directly addressing biases through objective data and feedback and techniques that address barriers to equitable interactions and ensure every child receives high-quality engagement.</p> |
| Suggested Audience | Administrators, Direct Service Providers, Directors, Teachers: Experienced |
| Session Content Level | Introductory (0-3 years' experience), Advanced (4+ years' of experience) |
| Location | Universal D |

FHSA 2022 Annual Conference & Expo Schedule

| | |
|--|---|
|  <p style="text-align: center;">Family, School & Community</p> | <p>Get Enrollment Back on Track with Digital Recruitment Strategies and Solutions, <i>Douglas Solomon, Managing Partner, EEV</i></p> <p>Head Start organizations – without question – can increase enrollment in the new reality of digital marketing. Head Start programs are facing recruitment and enrollment challenges. This session will provide suggestions for understanding how to efficiently utilize technology to identify prospective families and convert them into enrolled families. There are solutions at your fingertips ... digital, turn-key solutions will help Head Start enrollment numbers get back on track.</p> |
| <p>Suggested Audience</p> | <p>Administrators, Directors</p> |
| <p>Session Content Level</p> | <p>Introductory (0-3 years' experience), Advanced (4+ years' of experience)</p> |
| <p>Location</p> | <p>Universal E</p> |
|  <p style="text-align: center;">Family, School & Community</p> | <p>The Brain Architecture Game®, <i>Beth Dinee, MSW Training Specialist, Healthy Families Florida</i></p> <p>"The Brain Architecture Game is a tabletop game experience that builds understanding of the powerful role of experiences on early brain development & "what promotes it, what derails it, with what consequences for society." ~B.A.G. website. This highly interactive group activity will be an opportunity for attendees to come together to build a child's brain. Learn the fundamental understanding of brain development and the impact of ACEs and Resilience. Participants will receive resources for engagement with community partners to enhance relationship and resilience.</p> |
| <p>Suggested Audience</p> | <p>Administrators, Direct Service Providers, Directors, Family Support, Teachers: New, Teachers: Experienced, Training & Technical Staff</p> |
| <p>Session Content Level</p> | <p>Introductory (0-3 years' experience), Advanced (4+ years' of experience)</p> |
| <p>Location</p> | <p>Gold Coast I/III</p> |
|  <p style="text-align: center;">Ongoing Care & Well-Being</p> | <p>Building Resilience with Mindfulness, <i>Christine R. Hughes, PhD, IMH-E, Infant Mental Health Mentor-IV Policy, Florida Association for Infant Mental Health</i></p> <p>This session will introduce mindfulness, and the extensive research base that shows how it can support our well-being and resilience. Participants will explore the nine qualities of mindfulness, as well as experience a few brief practices during the session, led by the facilitator.</p> |
| <p>Suggested Audience</p> | <p>Introductory (0-3 years' experience)</p> |

FHSA 2022 Annual Conference & Expo Schedule

FHSA 2022 Annual Conference & Expo Schedule

| Day 3 – Friday | March 4, 2022 |
|-------------------------|--|
| Time | |
| 8:30 A.M. – 9:30 A.M. | Breakfast Universal A & B |
| 8:30 A.M. – 12:00 P.M. | Expo Center Open Universal A |
| 9:45 A.M. – 10:15 A.M. | General Session |
| 10:30 P.M. – 12:00 P.M. | <p style="text-align: center;">Closing Keynote, Holly Elissa Bruno Universal B</p> <p>What's Right with You?, <i>Holly Elissa Bruno, MA, JD, bestselling, award-winning author, and international keynoter</i></p> <p>Children are often asked, overtly or covertly: "What's wrong with you?" Adults, too, focus on our faults rather than our talents/strengths. Imagine changing the conversation to: "What's right with you?" as we seek the unique giftedness of each child, in our peers and ourselves?</p> <p>A child is more than her diagnosis. An adult is more than her shortcomings. Join us in discovering how this simple change of perspective changes every interaction for the better. Rilke encourages us to "Learn to love the questions." "What's right with you?" is a question to love.</p> |
| 12:00 P.M. – 3:30 P.M. | Exhibits Close, Exhibitor Tear Down Universal A |
| | End of Conference |
