

Head Start Regional TTA Network

# Register Now

Region IV Head Start T/TA Network in cooperation with the National Center on Parent, Family, and Community Engagement is proud to present

## We Are Family: Building Capacity for Long-Term Success

This **FREE interactive 2.5-day** training that will provide family engagement professionals with tools and strategies to assist in embracing their roles with excitement and enhanced capacity. Participants will explore the Family Service Guide, and its application to the daily circumstances Head Start staff experience as they collaborate with families. Through discussion, engaging interactions and reflection participants will learn about the PFCE Framework, a Strengths-Based Approach, Relationship-Based Competencies, Goal Setting, Outreach and Recruitment, and Adult Well-Being. Application of data informed practices will guide your reflection and action planning process to assist you in supporting families and make progress towards positive outcomes.

### Who Should Attend?

Head Start/Early Head Start Family Engagement Managers/Coordinators, Family Engagement Staff, and Home Visitors

### What will I Learn?

- Explore the Family Service Guide and its applications for supporting your work
- Apply data informed practices as you reflect and plan to assist you in supporting families
